

Dear Garden Club,

The NSAGC Executive & Board members are sending out the annual request for the club dues and updated club information. Our apologies for being late this year but it should be in time for the March 1, 2020 deadline.

Please note that the March 1, 2020 deadline will be enforced.

Late renewals will not receive the following benefits:

- Insurance coverage for their events – current policy expires on April 1, 2020.
- They do not have the right to vote at the AGM.
- They are not entitled to the convention discount.
- They are not entitled to the NSAGC nursery discounts.
- They are not entitled to the plant give-away.

Please use the attached form and double check to make sure all the information requested is on your form and that it is legible before mailing it back. The assessment form along with a cheque payable to the Nova Scotia Association of Garden Clubs can be sent to me at the address below.

Please return before March 1 , 2020.

I wish you and your club all the best in the coming year!

Sincerely,

Allison Magee  
NSAGC treasurer
